RECOMMENDED MOTION

A MOTION TO ADOPT A RESOLUTION CREATING STREETLIGHT IMPROVEMENT DISTRICT NO. 13-10 FOR THE BRIDGES EAST, PARCEL 3-5 AND ORDERING THE IMPROVEMENTS.

BACKGROUND/DISCUSSION

On June 28, 2012, the Town Council approved the final plat for the Bridges East, Parcel 3-5 subdivision. As part of the final platting process and as required in the Land Development Code, Chapter III, Article 1.1, Section 1.107H., a petition was presented to the Town by the developer to form a Street Light Improvement District (SLID) for this subdivision.

A SLID is a special taxing district authorized by State statute to pay for the operation of street lights within residential subdivisions by means of a secondary tax on the properties located within the SLID boundaries. Construction costs associated with the street lights, including material and installation costs, are borne by the subdivision developer.

Town staff has reviewed the petition and has verified that it contains the signatures of all (100%) of the real property owners within the proposed SLID, exclusive of mortgages and other lien holders.

The Resolution was reviewed for form by Town Attorney Phyllis Smiley.

FINANCIAL IMPACT

The improvement district will pay for the cost of purchasing energy for street lighting using funds raised by the levy and collection of ad valorem taxes on all real and personal property within the district. The Town will be responsible for the maintenance and repair of the street lights within this improvement district as part of the Public Works Street Lights Maintenance budget.

The financial impact was reviewed by Cris Parisot, in the Office of Management and Budget.

STAFF RECOMMENDATION

Staff has reviewed the petition and supporting documents and recommends approval of Street Light Improvement District No. 13-10, The Bridges East, Parcel 3-5.

Respectfully submitted,

Tom Condit, P.E.
Development Engineer
